

HONDA

CITY

STUN THE CITY

A stylized, low-poly city skyline in various shades of blue, positioned behind the main title text.

CITY

With every enhancement, the City outdoes itself. Now it returns to stun on every level. Rule the road with style that makes heads turn. Be swept away by innovation that makes the pulse race. Discover how the best just got better.

LED HEADLIGHTS* WITH LED DAYTIME RUNNING LIGHTS

The City's LED headlights are equipped with LED DRL for better energy efficiency and brightness.

LED TAILLIGHTS***

Perfected with sleek LED, the taillights make the City even more dazzling.

DUCKTAIL SPOILER WITH LED BRAKE LIGHT*

Striking even from the rear, the City is now enhanced with a Ducktail Spoiler with built-in brake light.

STUNNING STYLE

The City makes a statement that you have arrived. Whether coming or going, the City has style that is set to stun.

MULTI-ANGLE REVERSE CAMERA**

Choose from three angles to get a complete view of your surroundings when you reverse.

SHARK FIN ANTENNA

The Shark Fin Antenna ramps up the style of your City.

AUTO RETRACTABLE SIDE MIRRORS WITH TURNING LIGHTS**

Mirrors automatically fold when the car is locked or unlocked, and turning lights alert drivers to the car's movements.

15-inch wheels S & E variants

16-inch wheels V & Hybrid variants

DUAL TONE ALLOY WHEELS

A stylish set of multi-spoke Alloy Wheels in a dual tone design captivate at first glance.

LED FRONT FOG LIGHTS*

When you need greater visibility, switch these on to light your way further.

PADDLE SHIFT**

Responsive and exhilarating driving is at your fingertips with the steering-mounted Paddle Shift.

CRUISE CONTROL**

Hit the highway and cruise at a constant speed as the City takes over your drive.

ECON MODE

Enjoy improved fuel efficiency with the push of a button.

ECO ASSIST

When your driving style maximises fuel efficiency, it will be reflected by a colour-changing light around the speedometer.

E, V & Hybrid variants only. **S, E & V variants only.

Specifications may vary in detail from images shown and are subject to change without prior notice. Features also vary according to the different variants available.

The City isn't called an all-rounder for nothing.
Discover its full range of features, masterfully
engineered as only Honda knows how.

STUNNING PERFORMANCE

CONTINUOUS VARIABLE TRANSMISSION (CVT)****

Honda's Earth Dreams Technology CVT minimises the environmental impact of your car and ensures smooth driving.

1.5L i-VTEC ENGINE ****

The City's i-VTEC Engine delivers a perfect balance of performance and fuel efficiency of 5.7L/100KM (based on UN R101 Test Result).

SMART ENTRY

Enter the car effortlessly without having your key in hand.

PUSH START BUTTON

Start your City in style with a press of the ignition button, which is outlined by a modern chrome ring.

METER CLUSTER

The elegantly illuminated Meter Cluster is both easy on the eye and stylish.

REAR VENTILATION AIR CONDITIONING & MOBILE POCKETS**

Rear air conditioning and storage pockets for mobiles ensures comfort and convenience for passengers in the back.

*V variant only **E, V & Hybrid variants only.

Specifications may vary in detail from images shown and are subject to change without prior notice. Features also vary according to the different variants available.

STUNNING INNOVATION

Packed with features, the City opens up a drive that is filled with enjoyment, thanks to technology that is as convenient as it is a pleasure to use.

STEERING AUDIO SWITCH

Control your favourite tunes with ease.

8-SPEAKER AUDIO SYSTEM*

Enjoy your favourite tunes on a high quality surround sound system.

TOUCH PANEL AUTO AIR CONDITIONING**

The elegant interface of the touch panel makes controlling air conditioner settings a breeze.

6.8-INCH DISPLAY AUDIO**

Enhancements to the City's built-in touchscreen awakens enjoyment at the touch of your fingers.

CALL FUNCTION

Bluetooth sync ensures calls are a speed dial away.

AUDIO DISPLAY**

Control audio settings and your music playlist to find the tune that fits your drive.

HDMI CONNECTIVITY**

Mirror apps from smartphones via HDMI cable.

The City's spacious cabin is designed for the ultimate comfort for both the driver and passengers.

60:40 FOLDABLE SEATS

Extend your luggage area with rear seats which can be folded into a 60:40 split.

8 CUP HOLDERS

Keep beverages within easy reach of every passenger.

536L TRUNK SPACE

Boasting the biggest trunk in its class, the City easily fits everything you need to carry.

*V variant only. Actual model may vary in detail from image shown.

Specifications may vary in detail from images shown and are subject to change without prior notice. Features also vary according to the different variants available.

LEATHER

LEATHER SEATS*

The first-class experience is yours every day with Leather Seats featuring fine contrast stitching.

VEHICLE STABILITY ASSIST (VSA)

When taking sharp corners, the VSA system stabilises the vehicle by reducing under or oversteer.

6 AIRBAGS*

All-round protection comes from Dual Front Airbags, Side Airbags and Side Curtain Airbags.

STUNNING SAFETY

Safeguarded with a host of safety features, the City leaves you free to fully enjoy the drive.

*V variant only. Actual model may vary in detail from image shown.

Specifications may vary in detail from images shown and are subject to change without prior notice. Features also vary according to the different variants available.

G-CON

G-FORCE CONTROL TECHNOLOGY

G-FORCE CONTROL (G-CON)

Honda's advanced technology creates a body frame which absorbs impacts to minimise injuries to passengers during a collision.

ANTI-LOCK BRAKING SYSTEM (ABS)

Prevents the wheels from locking up during emergency braking situations for better vehicle control.

HILL START ASSIST (HSA)

Helps to prevent the car from rolling backwards when the brakes are released on an incline.

EMERGENCY STOP SIGNAL (ESS)

Sudden braking activates the flashing of hazard lights as a warning to other drivers.

ISO FIX

Safely install child car seats with ISO Fix, the global standard for child car seat safety.

3-POINT ELR SEAT BELTS

Seat belt pretensioner prevents forward motion while load limiters reduce pressure on the chest.

Sport Mode

Experience exhilaration with Sport Mode.

Shift By Wire

Change gears seamlessly with a fully electronic gear shifter that's sleek and futuristic.

3D Illuminated Meter Cluster

The stylish and advanced Multi Information Display shows useful information such as energy flow, efficiency and more.

SPORT HYBRID *i-DCD*

Intelligent Dual-Clutch Drive

EFFICIENCY THAT THRILLS.

The i-DCD system switches seamlessly between electric mode and thrilling sport mode with a combination of electric motor and engine power. It delivers performance equal to a 1.8L engine yet remains fuel efficient*.

New 1.5L DOHC i-VTEC Engine with Idle Stop

Designed with performance and efficiency in mind. It switches off when idling to minimise fuel consumption.

7-Speed DCT with High Power Electric Motor

Dual clutches allow for quick gear shifting to enhance the thrill brought by the high power electric motor.

Fully Electric Driven Compressor

A fully electric compressor reduces the load on the engine, allowing the air conditioner to cool when idle stop is activated.

Sporty Handling

Enhancements to suspension and connecting rods give the Sport Hybrid its distinctive agile handling.

Improved Noise, Vibrations and Harshness (NVH) Reduction

New insulators absorb outside noise and vibrations for a quieter and more comfortable drive.

Electric Servo Brake System

An integrated electronic control unit allows a greater battery recharge rate when braking. This enhances braking comfort and gives a longer drive in EV mode.

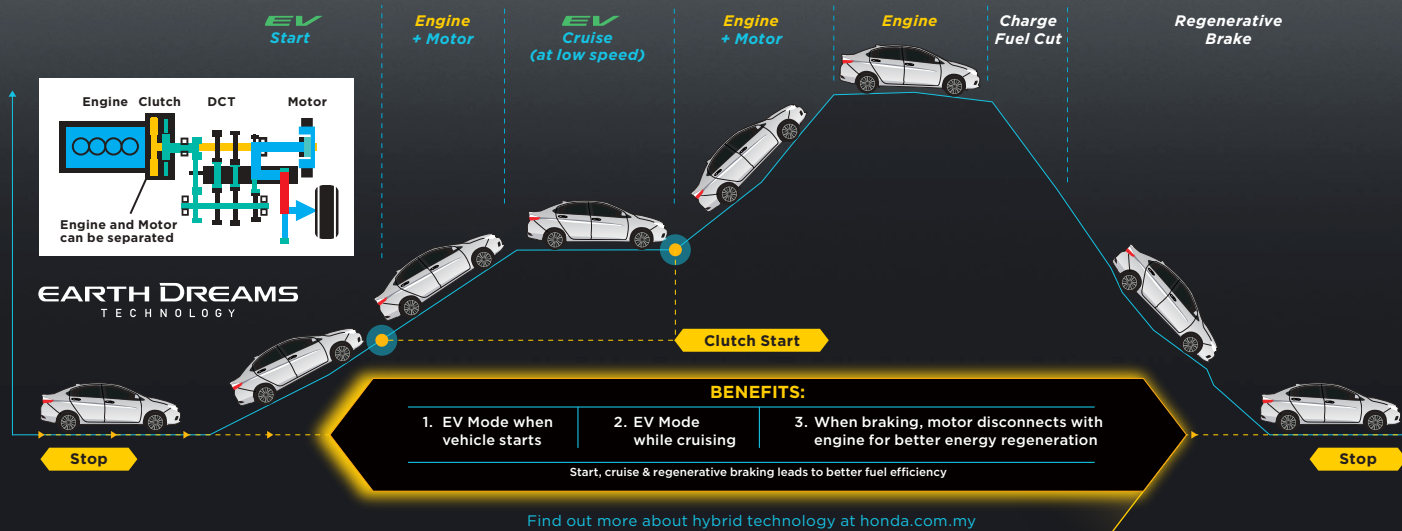

High-Power Lithium-Ion Battery

Powerful yet durable, the Lithium-Ion Battery has high capacity in a compact package.

HOW DOES A SPORT HYBRID *i-DCD* WORK?

Intelligent Dual-Clutch Drive

SAFETY

Automatic Parking Gear Selection
The car automatically shifts to its parking gear when the above conditions are met.

Vehicle Stability Assist (VSA)
Steer through corners with confidence as VSA reduces understeer and oversteer to keep the car stable.

Emergency Stop Signal (ESS)
During emergency braking, the taillights and hazard lights flash to alert other drivers.

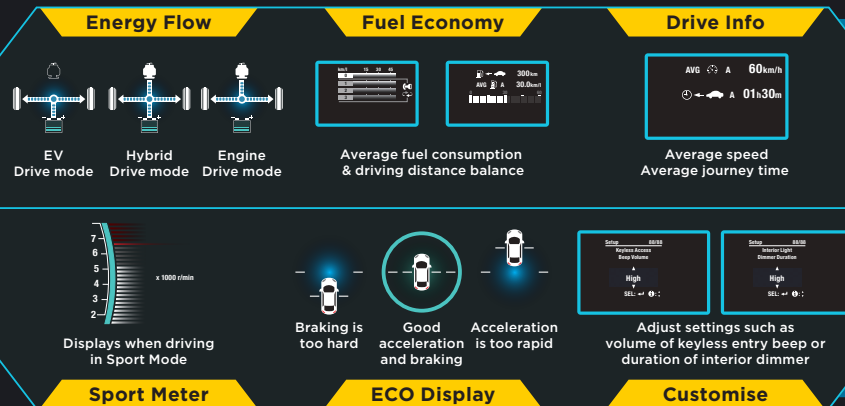

Low Speed Sound Alert
Alerts pedestrians as the car moves in EV mode.

Reversing Sound Alert
Plays a constant chime to alert pedestrians while reversing.

MULTI INFORMATION DISPLAY

ECON Mode
Improves fuel economy by optimising several of the car's components to reduce consumption.

Driving Efficiency Indicator
Encourages efficient driving by providing visual cues around the speedometer. Green illumination indicates economical driving.

Efficiency Progress Indicator
Provides an indication of fuel economy, statistics and goals. Your progress is represented by the number of leaves displayed.

4 Airbags
Dual front and side airbags keep the cabin protected.

Hill Start Assist (HSA)
Holds the car on slopes when the brakes are released to prevent the car from rolling backwards.
